

# TSM Guides

## Researching a Medical School

**A**

**Aims:** What are the aims of the school? What does the school describe as its mission?

---

---

---

**E**

**Excellence:** What does the school describe as its areas of excellence?

---

---

---

**I**

**Initiatives:** What are the faculty or the leadership at the school working on/towards?

---

---

---

**O**

**Opportunities:** What could you do here that you could not do elsewhere? What are the unique opportunities offered by this school?

---

---

---

**U**

**Undergraduate Medical Education:** What are some features of the curriculum that strike you as interesting? Are there any special tracks that the school offers?

---
